# Contour power module

We are very pleased to announce the launch of our new stylish plastic desk power module – Contour. Contour has a more modern, curved appearance displaying many design features like our new lateral fuse carrier, internal segregation between power and data with the added benefit of being installed to a slatwall/tool rail or flush to a screen/edge of desk, making it functional yet non-intrusive to the working desk. Comes complete with plastic clips on the covers so there are no visible fixing screws and fully compliant to current safety regulations.

Code	Description	Contract Price
94PS01	2 x power sockets, 3.15A individually fused, supplied with 1m mains lead to male 3 Pole Connector plug. Cream with grey fascias.	£35.00
94PS02	3 x power sockets, 3.15A individually fused, supplied with 1m mains lead to male 3 Pole Connector plug. Cream with grey fascias.	£48.00
94PS03	4 x power sockets, 3.15A individually fused, supplied with 1m mains lead to male 3 Pole Connector plug. Cream with grey fascias.	£58.00
94US01	2 x power sockets, 2 x RJ45 Cat5e data sockets, 3.15A individually fused, supplied with 1m mains lead to male 3 Pole Connector plug and 3m data lead. Cream with grey fascias.	£73.00
94US02	4 x power sockets, 2 x RJ45 Cat5e data sockets, 3.15A individually fused, supplied with 1m mains lead to male 3 Pole Connector plug and 3m data lead. Cream with grey fascias.	£85.00
440371	'C' Clamp fixing bracket. 2 x 'C' Clamps recommended for the Contour with more than 2 sockets.	£4.05

All products have RAL 9001 Cream for outer casing & RAL 7004 Signal Grey for fascias.

An option of RAL 9001 Cream for outer casing & RAL 9005 Black for fascias is also available.

## Welcome to Elite+

Available in UK Sockets only.

Socket Orientation: N – is North,  
E – is East & W – is West

92E031	4 x power sockets, one neon switch, individually fused 3.15A, 2 x RJ45 Cat5e data sockets with 3m data lead with male 3 Pole Connector input & no output.	£55.00
92E038	4 x power sockets, one neon switch, individually fused 3.15A, 2 x RJ45 Cat5e data sockets with 5m data lead with male 3 Pole Connector input & no output.	£57.10

All products have 300mm earth lead to M5 ring

# usb/bluetooth hub

Struggling for USB sockets on your desk...

...not enough on your computer either?

There is a far more cost effective way to obtain additional USB capacity than to upgrade your entire system. You should look at buying our new powered USB hub, an additional option for your desktop power solution - no additional power supply is required. The USB Hub allows you to connect multiple USB devices combined this with the additional feature of Bluetooth – you can make the most of your everyday technology within easy reach of your desktop. So start your working day the easy way with the integrated USB hub.

## Technical Features

- Integrated Universal Power supply Input 100/240V 50/60Hz 0.2A, Output 5V 1A
- Factory fitted external PSU fly lead for additional external PSU (if required)
- Optional Internal Bluetooth
- LED indicators for USB and Bluetooth
- Colour: Black (Grey is also available, please ask for details)

## Benefits

- No separate power connection as standard
- Fits all standard desk top modules as well as Conti Connect (except Shuttle)
- Compatible with all international socket types, e.g. Schuko
- Bluetooth (if fitted) secured internally avoiding theft
- Can supply up to 1A total to 4 external devices as standard
- An additional 1A external Power supply is available if required (13A UK only)

Code	Description	Contract Price
161002	Powered USB Hub Component*	£40.00
410326	Powered USB Hub Component with Bluetooth*	£60.00

\*USB/Bluetooth component only available when ordering any new desktop power module. Prices shown above are for USB hubs only.

# Horizon power module

The horizon through desk module offers accessible power and data sockets at the desk top. This unit fits flush into the desk top with an angular and smooth aesthetic finish. The horizon's lid retracts to allow access from both sides, when opened it lifts and locks proud of the desk surface which makes it ideal for use in boardrooms or conference tables. Horizon is finished in Fusion Silver.

## Apple VESA Display Mount for Cinema, Cinema HD & LED Cinema Display for Cygnus Monitor Arms

The Apple VESA Mount Adapter Kit allows your Apple flat panel display (anodized aluminum) to be used with a variety of alternate mounting solutions such as our Cygnus Monitor Arm based on the VESA flat panel mounting interface (FPMI). Apple Cinema Monitor Specifications: 20" monitor = 6kg, 24" monitor = 9.5kg and Up-Rated Cygnus for the: 24" monitor = 9.5kg 30" monitor = 12.5kg.

Code	Description	Contract Price
68A001	Apple VESA Display Mount for cygnus™ monitor arms (Cinema & Cinema HD Screen). Silver	£50.00
68A002	Apple VESA Display Mount for cygnus™ monitor arms (LED Cinema Display). Silver	£47.50

## Aspect pole arm

Safety button release mechanism

Our Aspect monitor arm projects a slimline linear design together with the versatility of offering the option of simple single configuration or double screen application. Being compact in design, Aspect can be folded back flush to a screen or desk edge allowing the workstation to be clear when needed and is easily articulated into position with a button release mechanism.

With its monitor quick release and a VESA plate screen lock as standard together with being compatible with all VESA compliant flat screen monitors up to 8kg, Aspect is the right choice when flexibility is top of the agenda. Loaded tested by FIRA and is available with desk edge or screen/rail mounting options.

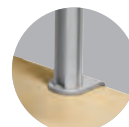

Universal Slatwall Mounting Bracket

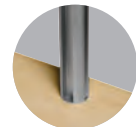

### Desk Edge Mount & through desk option

Desk edge clamp with load spreader plate. For use in double screen applications.

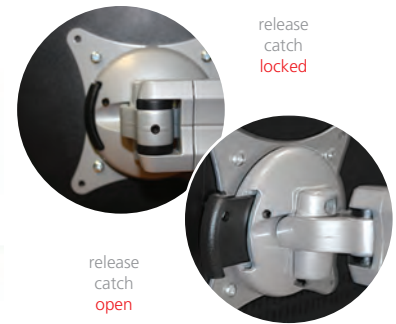

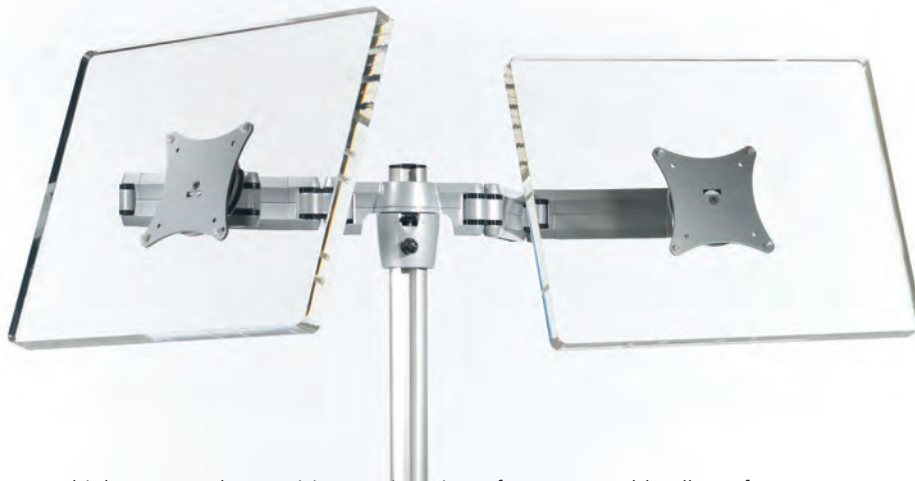

Desk edge clamp without load spreader plate. For use in single screen applications.

Through desk option with pole base washer. Available with load spreader plate on request.

Code	Description	Contract Price
68Z006	Full single arm with 'C' clamp fixing. Holds screen weights up to 8kg. Silver	£136.00
68Z007	Full single arm with through desk fixing. Holds screen weights up to 8kg. Silver	£136.00
68Z096	Full single arm with universal slatwall mounting bracket. Holds screen weights up to 8kg. Silver	£130.00
440327	Grommet for Aspect Arm. Silver	£34.00

# Aspect double pole arm

For multiple screens the precision engineering of Aspect Double allows for two screens to be mounted at the same height within infinite height adjustment possible on its 900mm single pole through movement up and down the post, removing the requirement for a separate back-to-back bracket.

Code	Description	Contract Price
68Z008	Full double arm (side by side screens) with 'C' clamp and load spreader plate. Each arm holds up to 6kg. Silver.	£250.00
68Z009	Full double arm (side by side screens) with through desk fixing and load spreader plate. Each arm holds up to 6kg. Silver.	£250.00

# Vision arm

Vision is a design classic of monitor arm which offers the ergonomic benefits of a flat screen monitor arm yet more affordable than its more prestigious gas lift rivals. Vision can be installed at different heights to suit different environments. Rotation and height adjustments can be made by individual users.

Vision comes with a standard 'C' clamp and through desk fixings. Vision can support monitors up to 8kgs in weight. The 30mm diameter pole allows a huge 330mm of height adjustment, while the design also allows a full 360 degrees of swivel movement with full head tilt to be positioned at the optimum eye level.

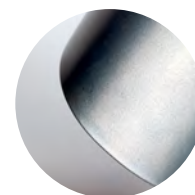

Code	Description	Contract Price
68S002	Single Vision pole arm with 'C' clamp and through desk fixing. Holds screen weights up to 8kg. Silver.	£95.00
68S003	Single Vision pole arm with 'C' clamp and through desk fixing. Holds screen weights up to 8kg. White.	£95.00

## Double vision arm

For multiple screens the double vision allows for two screens to be mounted at the same height within infinite height adjustment possible on its 330mm pole through movement up and down the post, removing the requirement for a separate back-to-back bracket.

Code	Description	Contract Price
68S005	Double Vision pole arm with 'C' clamp and through desk fixing. Each arm holds up to 6kg. Silver.	£150.00

## Ecolight

To complement our existing range of on desk accessories, this desk lamp follows the same clean lines and ease of movement as our recognised cygnus flat screen monitor arm. Using environmentally friendly, extruded aluminium materials, this stylish desk light will look good on any desk, and is cool running to the touch.

The ecolight is counter balanced, has no requirement for additional earthing or transformer feed and can be positioned where needed, with simple one hand operation. The ecolight comes complete with 2 styles of fixing to allow for every mounting requirement - 'C' clamp or through desk. The ecolight has long reach and flexibility of positioning to allow for every on desk light requirement.

Code	Description	Contract Price
79E001	Ecolight. Silver	£70.00

# Spiral cable spines

This unique desk to floor cable management spine offers exceptionally quick and easy installation, plus a large cable carrying capacity and a good aesthetic appearance.

Silver

Black

Translucent

660131	Translucent	£35.18

# Cableway & raceway cable spines

Vertical Cableway

Horizontal Raceway

Arched Cableway

An attractive and practical method of cable containment. The cableway routes cables from floor to desk and provides mechanical protection and strain relief.

under desk clip-on fixing bracket

Code	Description	Contract Price
660041	Vertical cableway weighted base to desk including top bracket. Charcoal grey (Approx height 780mm)	£22.05
660042	Vertical cableway weighted base to desk including top bracket. Silver (Approx height 780mm)	£22.05
660049	Horizontal raceway. Charcoal grey (Approx length 620mm)	£14.70
660050	Horizontal raceway. Silver (Approx length 620mm)	£14.70
660045	Archway extended weighted base to desk including top bracket. Charcoal grey (Approx length 1340mm)	£34.65
660046	Archway extended weighted base to desk including top bracket. Silver (Approx length 1340mm)	£34.65

## Zip it cable tidy

This unique aesthetic design with an innovative use of fabric is to deal with an everyday problem with a simple and flexible solution that is compatible with many desking systems.

Zip it is a versatile cable management system which is adaptable, lightweight, easy to install & can readily be reconfigured as and when needed. The zip & segregation channels allow all cabling, typically including separate power and data cables, to be concealed yet segregated, whilst the fabric ensures the cables are not restricted.

Most units fix to the underside of the desk and come with fixing bracket and weighted base. All have a diameter of 55mm.

Code	Description	Contract Price
650473	zip it cable tidy - 690mm with brackets. Silver	£30.00
650475	zip it cable tidy - 790mm with brackets. Silver	£35.00
650496	zip it cable tidy - 790mm with brackets. White	£35.00
650493	zip it cable tidy - 790mm with brackets. Black	£35.00

## Unicon cable basket

Unicon is high-capacity flat pack plastic cable management system with easy access to cables via drop down sides using a unique hinge design. Unicon can easily be attached to the underside of the workstation.

Code	Description	Contract Price
65U005	500mm Kit - 1 basket, 2 hanging brackets and 2 support straps	£17.00
65U010	1000mm Kit - 2 x 500mm baskets, 2 hanging brackets and 2 support straps	£29.00
65U015	1500mm Kit - 3 x 500mm baskets, 3 hanging brackets and 3 support straps	£43.00

# Fusion & premium cable basket

## Fusion

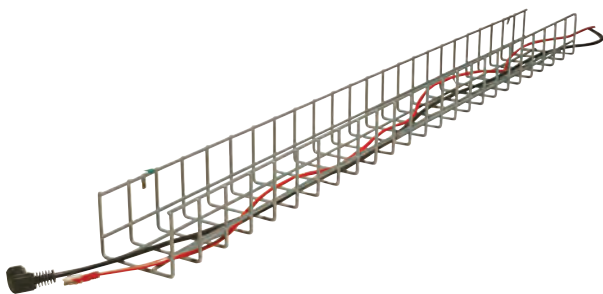

Fusion is a high-capacity poly coated wire cable management system. Fusion features a sloping side for easy access to cables and specially designed hook brackets to guarantee a simple and quick installation. Fusion can easily be attached to the underside of the desk or to the modesty panel.

Code	Description	Contract Price
650468	Fusion cable basket with 2 brackets. Grey (800mm)	£26.00
650469	Fusion cable basket with 2 brackets. Grey (1000mm)	£26.80
650470	Fusion cable basket with 2 brackets. Grey (1200mm)	£28.00
650471	Fusion cable basket with 2 brackets. Grey (1400mm)	£29.00
650534	Fusion cable basket with 2 brackets. Grey (1600mm)	£30.00
251904	Silver bracket	£3.00

## Premium

Premium is a simple cable containment basket which clips underneath the desk and routes power and data cables neatly under the desk surface.

- Width 150mm x 85mm high
- Mild Steel Nylon coated Wire Basket
- Silver RAL 7040 or White RAL 9010

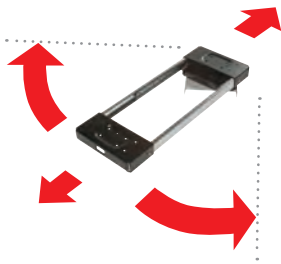

Strap Hinge Bracket

Code	Description	Contract Price

2000mm lengths are available on request

# Snug cpu support

Snug is a simple and stylish CPU support that enhances the aesthetics of any workspace environment.

## Slide and Rotate Mechanism

Allows easy access to front and back of CPU. Slide mechanism requires desk width of minimum 700mm (track length 407mm). Slide and Rotate allows movement of CPU holders for snug, ladder & embrace.

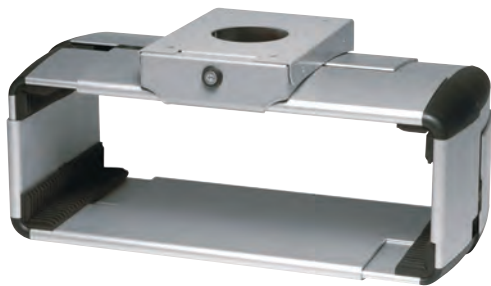

LOAD TESTED

Code	Description	Contract Price
58A109	Snug Adjustable CPU Support. Black and Silver	£46.00
58A122	Snug Adjustable CPU Support. White and Silver	£46.00
58A162	Snug Adjustable CPU Support. Grey and Silver	£46.00
58A049	Slide and Rotate Mechanism	£16.25

# Embrace cpu support

Embrace is a simple and elegant CPU holder that enhances the look of any workstation. The clamping function of the aluminium body grips tightly to the top and bottom of the CPU to secure it in place whilst leaving a sleek profile as well as ensuring the CPU is neatly out of the way.

horizontal orientation

vertical orientation

Code	Description	Contract Price
58A012	Standard To accommodate CPU: 165 - 230mm wide x 315 - 530mm high	£110.00
58A019	Slim To accommodate CPU: 140 - 180mm wide x 315 - 530mm high	£110.00
58A020	Small To accommodate CPU: 140 - 180mm wide x 245 - 300mm high	£110.00
58A018	Extra Slim To accommodate CPU: 105 - 135mm wide x 315 - 530mm high	£110.00
58A025	Super Slim To accommodate CPU: 90 - 100mm wide x 315 - 530mm high	£110.00

# CPU ladder

## Ladder Single Sided

Ladder is a stylish and functional solution for CPUs with its steel frame it supports the CPU together with the strong nylon strap used to secure the CPU in position.

Single Ladder

Double Ladder

### key features

- Adjustable support platform to accommodate different CPU sizes and mounting heights
- A strap secures the CPU, permitting easy removal for servicing or replacement
- Mounting bracket screws directly into the underside of the worksurface
- Optional slide and rotate mechanism
- Can be adapted to fit to beam based furniture if required
- Overall length 500mm x 130mm wide
- Other options available on request -  
 Double ladder - supports 2 CPUs side by side (see picture)  
 600mm length - for taller CPUs (width remains as 130mm)  
 Ladder with a cover - for improved aesthetics

## Spin CPU Holder

### Key features

- Adjustable support platform to accommodate extensive CPU sizes and mounting heights - 50mm-275mm x 380mm-580mm
- Comes complete with a slide and rotate mechanism

Code	Description	Contract Price
58A081	Ladder CPU Holder with strap. Silver	£86.00
58A132	Ladder CPU Holder with strap. White	£86.00
58A151	Double Ladder CPU Holder with strap. Silver	£119.00
58A138	Double Ladder CPU Holder with strap. White	£119.00
58R010	Spin CPU Holder. To hold CPU sizes. 50mm-275mm x 380mm-580mm. Complete with slide and rotate mechanism. Silver	£60.00

# CPU straps, cradle & trolleys

Budget CPU Cradle with Slide and Rotate

key features

- CPU Support that allows 150mm of linear travel
- 180° of rotation
- Slide unit screws direct to the underside of the worksurface

width: 134 - 234mm  
height: 340 - 540mm

code: 58A039

Budget Strap CPU Support with Slide and Rotate

key features

- Includes slide and rotate mechanism, 180° degrees rotation
- 130mm of linear travel
- CPU is supported by adjustable, clip locking straps
- Slide unit features a grab handle for adjustment of the CPU position
- Maximum weight is 20kg
- Minimum desk thickness is 15mm
- CPU minimum width 160mm at maximum height of 550mm
- CPU maximum width 245mm at maximum height of 500mm

code: 58A041

Budget Strap CPU Support

key features

- CPU is supported by adjustable, clip locking straps
- The mount screws directly to the underside of the worksurface
- Maximum weight is 20kg
- Minimum desk thickness is 15mm
- CPU minimum width 80mm at maximum height of 600mm
- CPU maximum width 700mm at maximum height of 30mm

code: 58A040

Budget CPU Lockable Holder

key features

- Locking mechanism built for security
- Slideable and 360° rotation
- Adjustable frame from 110mm to 230mm for width and 380mm to 580mm for height

code: 58R009

Standard CPU Trolley

key features

- Simple CPU trolley
- Width adjustable from 100 – 190mm
- Rubber support pads hold CPU firmly in position
- Non-standard variations of this product are available upon request

code: 58A042

Budget CPU Trolley

key features

- Simple CPU trolley
- Width adjustable from 180 – 250mm
- Anti-slip rubber feet
- Comes with brake casters

code: 58R005

Tubular CPU Trolley

key features

- Adjustable mobile CPU trolley on robust castors
- Manufactured in epoxy polyester coated tubular steel
- Width adjustable from 180 - 250mm

code: 58R004

Code	Description	Contract Price
58A041	Budget Strap CPU Support with Slide and Rotate. Silver	£37.00
58A040	Budget Strap CPU Support. Silver	£17.00
58A039	Budget CPU Cradle with Slide and Rotate. Silver	£60.00
58R009	Budget CPU Lockable Holder. Silver	£83.50
58A042	Standard CPU Trolley. Silver	£60.00
58R005	Budget CPU Trolley. Silver	£20.00
58R004	Tubular CPU Trolley. Silver	£25.00

# Accessories

## Cables & Connectors

Connector system for use with power modules, giving quick and simple installation.

### Key features

- 3 pole male and female pre-moulded connectors with 1.5mm<sup>2</sup> cable
- Available in black or white
- Custom lengths available on request in 0.5 metre increments up to 10 metres
- Connectors comply with BS 5733
- Separate system for dedicated power supplies can be supplied upon request

### Starter Cable 13A UK Plug to Female 3 Pole Connector (ST18/3)

Length	Black code	White code	Contract Price

3.5m	620016	620025	£6.30
4m	620017	620026	£6.99

### Earth Kit

Earth leads can be provided for connection to the modules and for earth bonding between metal framed furniture, in accordance with BS 6396:2008 where relevant.

These are available in a variety of lengths and terminations

Consisting of earth cable, M5 ring terminal on both ends & screws

Length	Code	Contract Price
200mm	640199	£1.31
250mm	640141	£1.58
300mm	640200	£1.84
500mm	640201	£2.24

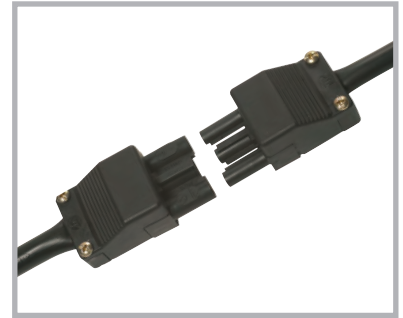

## Cable Locking Clips, Connectors, Blanking Plugs & Earth Leads

### 16 Series Self-Fit Connectors

Suitable for terminating cables to produce mains or connector leads. We recommend that only the female is used for mains input lead applications. These connectors are rated at 16 Amps, we recommend that 1.5mm<sup>2</sup> cable diameter is used for assembly purposes

Self fit connector	Black	White	Contract Price
male	160054	160055	£4.20
female	160045	160049	£4.20

### 16 Series Cable Locking Clip

Black	White	Contract Price
160054	160055	£4.20

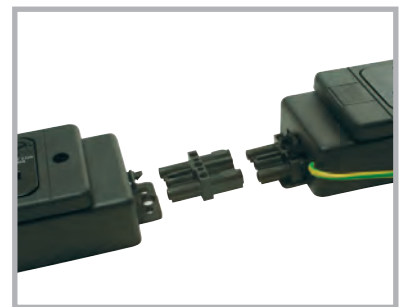

### 16 Series Connector Blocks

#### key features

- 1 Male inlet to 1 Female outlet to connect modules together without a cable
- 2 Connector blocks are required per connection
- Colour options, black or white

Black	White	Contract Price
160004	160005	£3.15

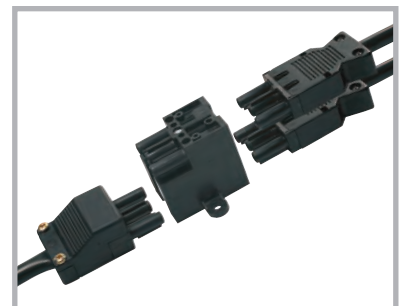

### 16 Series Mains Splitter

#### key features

- 1 Male inlet to 3 Female outlets, with fixing lugs, black or white

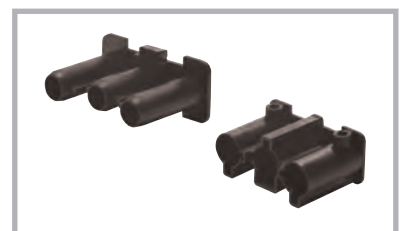

Mains splitter	Black	White	Contract Price
standard	160008	160011	£4.20
extended in height	160312	160009	£4.20

(to suit the self fit connectors)

### 16 Series Blanking Plugs

Plug	Black	White	Contract Price
male	160020	160021	£0.53
female	160018	160019	£0.53

# Accessories

## Trunking, Clips & Clamps

### 65 Series Hi-tech Trunking

#### Key features

- Solves the problem of untidy cabling
- Three separate channels for power, voice and data segregation
- Two piece wipe through T-shaped strips for addition or removal of cables
- Cutting service is available for non-standard lengths
- Self-adhesive backing strip
- Can be drilled and screw mounted
- Colour black

Code	Length (mm)	Contract Price
650007	1000	£9.45
650013	1500	£14.70
650016	2000	£15.75

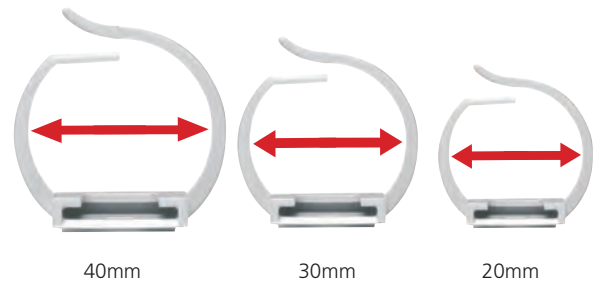

### 65 Series Flexible Cable Trunking

#### Key features

- Simple means of keeping cables tidy
- Suitable for use on furniture, control gear and enclosures
- Available in three sizes
- Supplied in 500mm lengths
- Slip ring for quick addition or removal of cables
- Self-adhesive backing strip
- Colour Grey

Code	Diameter	Contract Price
650033	20mm	£5.78
650034	30mm	£6.83
650035	40mm	£7.88

### 63 Series Cable Clip

#### Key features

- Handy clip providing a simple method of holding cables
- Self-adhesive fixing
- Colour Grey

Code	Contract Price
630001	£0.53

### 63 Series Cable Clamp

#### Key features

- Used to provide a secure cable fixing at the point of entry or exit from furniture
- Screws not provided

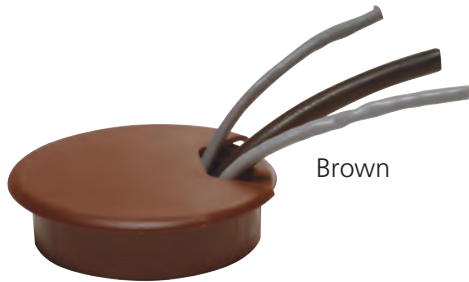

Code	Contract Price
630002	£0.63

## Hi-Tech Desk Grommet

A high quality cast aluminium desk grommet. Brush strip on cable entry port. The unit features a twist lock action to retain the lid. Easily retro fitted into a 80mm diameter hole. Minimum work surface thickness is 22mm

Code	Colour	Hole size	Contract Price
520114	silver	80mm	£26.25

Brown

Grey

Black

## Plastic Desk Grommets

A high quality plastic desk grommet. Easily retro fitted into a 80mm diameter hole. Minimum work surface thickness is 22mm

### key features

- Cover plate conceals all the cables below the desk top
- Cover is removable to allow the introduction of cables with a fitted plug
- Removable slide can be stored in a recess under the cover plate
- Manufactured from high impact plastic
- Other colours may be specified for contract quantities

## Plastic Desk Grommet

Code	Colour	Price List
520001	black	£4.20
