Stylish sustainability

Ligni features immensely strong, elegantly radiused ply legs, faced in Oak or Walnut veneer, that bring out the distinctive character of this environmentally-friendly material and add warm timber accents to your home interior.

SLATE MFC **SL**

Stylish ply edge matches the leg core.

Three push-to-open drawers on heavy duty 100% extension ball bearing slides. Lockable top drawer.

Elegantly shaped and angled legs faced in veneer or matching laminate.

Fully assembled 3-drawer pedestal fits to left or right.

Adjustable feet for levelling.

SPECIFICATIONS

- 1200 or 1400mm wide x 650mm deep.
- 10 contemporary finishes, including deeply grained Halifax Oak in a choice of three hues, and luxurious hand-selected Oak and Walnut veneers.
- Quick & easy self-assembly.
- Legs faced in Light Oak veneer with

Light Oak, Natural Oak, Black, Slate and Dust Grey finishes; Natural Walnut veneer with Natural Walnut; and matching laminate with Halifax Oak finishes.

- Compatible with pen drawer and wide tray drawer (see p.7, 8, 9).

Larger desk sizes and matching storage available. Ask for details or see online.

Stylish and practical furniture for home working,
made to the same standards of quality and durability as
our commercial ranges — but in smaller sizes better
suited to most homes.

i

Self-assembly requires a Pozidriv screwdriver, plus
on Ambus a flat blade screwdriver, and hammer
(to knock in the included timber dowels). Pliers can be
helpful in fully tightening leg wing nuts on Ligni.
