

CUSTOMER TESTIMONIAL

The Customer:
Harlow Rugby Club,
specialising on providing
meetings and social
events

The Challenge:
To find a solution to
replacement of meeting
chairs with stained and
dirty red fabric.
We supplied a sample of
our solution for
evaluation.

Harlow Rugby Club has state of the art meeting
rooms for hire for any function.
They also have many local rugby teams using it
facilities with Men's and Women's teams and many
teams of juniors

Zoe Harman (COO) explains "We used Blue Line to reupholster all of our function area chairs to give us a new uniformed look and feel using the furniture we already had.
This has been extremely cost effective and everyone has commended on how much of a difference it has made to the club"

HRC requirements included an easy clean fabric, a rolling collection and delivery, so that they had chairs to use, and a quick turn round on each batch.
We re-upholstered in a commercial green vinyl and turned each batch around in a week.
